

Equip long-term care providers with funds to enhance senior care.

Invest wisely in Pennsylvania's fastest growing demographic.

Reward Quality Care

Adopt and fund ecwip in the state budget to reward providers for enhancing resident care, while adding more accountability of taxpayer dollars.

Fund Staffing Ratio Mandate

Last year's budget fell short of funding Pennsylvania's staffing mandate. Nursing home providers are required to add even more staff on July 1, but they lack the necessary funds previously negotiated by the state to meet the ratios.

Where Sustain MDOI

Continue to fund the Medicaid Day One Incentive (MDOI) program that financially supports the care of Pennsylvania low-income residents in need of nursing care.
